

Homeland Security and Emergency Preparedness

In its ongoing effort to keep its citizens safe and aware of the potential dangers of terrorism, the Placer County Sheriff's Office announces a series of public forums.

Terrorism will be defined, major terrorism incidents highlighted, and how your local Sheriff's Office is prepared to deal with potential threats will all be discussed.

In addition, citizens will be educated on how to prepare themselves for potential threats at home, at work, within the community and even while traveling. Tips will include establishing evacuation plans, the safe handling of mail, Internet safety and how to keep children safe in emergencies.

We invite and encourage you to attend the following forums in your area:
